

Continuum of Care (CoC) Program

At the Federal Level

The Continuum of Care (CoC) Program is designed to promote community-wide commitment to the goal of ending homelessness; provide funding for efforts by nonprofit providers, and State and local governments to quickly rehouse homeless individuals and families while minimizing the trauma and dislocation caused to homeless individuals, families, and communities by homelessness; promote access to and effect utilization of mainstream programs by homeless individuals and families; and optimize self-sufficiency among individuals and families experiencing homelessness. Locally

The Mendocino County Homeless Services Continuum of Care (MCHSCoC) is a collaborative of over twenty agencies throughout Mendocino County. The MCHSCoC holds monthly meetings in Ukiah in the Adult and Aging Services building. MCHSCoC activities include the annual sheltered and unsheltered Point in Time Count of individuals experiencing homelessness; Coordinated Entry which is designed to assess the needs of those experiencing homelessness, ensuring available resources are prioritized to the most vulnerable, matching appropriate services to effectively meet those needs; and maintaining ongoing collaboration focused on securing and maintaining all types of funding resources specifically focused on addressing homelessness within Mendocino County.

In the 2016-2017 Fiscal Year, \$2.1 million in combined State and Federal funding was awarded to various MCHSCoC agencies as a direct result of successful funding competitions by the MCHSCoC. This funding provides a variety of services to individuals experiencing homelessness in Mendocino County including: Emergency Shelter, Rapid Rehousing, Permanent Supportive Housing, Homeless Management Information Services, and a CoC Planning Project within Mendocino County.

Laws

The McKinney-Vento Homeless Assistance Act As Amended by S.896 HEARTH Act of 2009

The Homeless Emergency Assistance and Rapid Transition to Housing Act of 2009 (HEARTH Act), enacted into law on May 20, 2009, consolidates three of the separate homeless assistance programs administered by HUD under the McKinney-Vento Homeless Assistance Act into a single grant program. The HEARTH Act also codifies into law the Continuum of Care planning process, a longstanding part of HUD's application process to assist homeless persons by providing greater coordination in responding to their needs. Regulations

CoC Program Interim Rule Amendment to § 578.51(c): Increasing Mobility Options for Homeless Individuals and Families With Tenant-Based Rental Assistance

This rule, published on June 14, 2016, amends the CoC program regulations to allow individuals and families to choose housing outside of a CoC's geographic area, subject to certain conditions, and to retain the tenant-based rental assistance under the CoC program. In addition to allowing individuals and families to choose housing outside of the CoC's geographic area, this interim rule exempts recipients and sub-recipients from compliance with all non-statutory regulations when a program participant moves to flee domestic violence, dating violence, sexual assault, or stalking. This relaxation of conditions is consistent with the **Violence Against Women Reauthorization Act of 2013**, directing greater protections for victims of domestic violence, dating violence, sexual assault, or stalking.

Defining "Chronically Homeless" Final Rule

This final rule establishes the definition of "chronically homeless" that will be used in HUD's CoC Program, and in the Consolidated Submissions for Community Planning and Development (CPD) Programs. This definition has been the subject of significant public comment which has guided HUD in establishing the definition of "chronically homeless" that will be used in its homeless assistance programs. The final rule also establishes the necessary recordkeeping requirements that correspond to the definition of "chronically homeless" for the CoC Program. Historically, other programs within HUD, as well as other

agencies such as the United States Interagency Council on Homelessness (USICH) and the Department of Veteran Affairs (VA), have adopted HUD's definition of chronically homeless and may also choose to adopt the definition of "chronically homeless" included in this final rule, however, it is not required.
